Your Application Status

Eligibility and Instructions

Eligibility

Science, Engineering and Humanities: The programme is open to postgraduate students (including 4th and 5th year students of integrated master's programs) and those who are in the 3rd and 4th year of their B.Tech degree).

Application process

- The application is to be submitted online at the portal available at the homepage of IIT Palakkad.
- Selection will be made on the basis of academic record, aptitude for research, accomplishments and area(s) of research interest.

Please note the following:

- Only those who satisfactorily complete the programme will be given the internship certificate.
- Financial support of Rs. 8000/- per month (Rs. 12000/- for the entire period) will be provided to all the selected candidates.
- Accommodation on a shared basis is available on campus. Hostel room rent along with mess food charges should be paid by the intern students.
- Students from IIT Palakkad are not eligible to apply for summer interships program of the institute.
